

## Pony Club Polo in Scotland

### CAWDOR CAMP 2018

21,22,23 August

**Venue** – Dallaschyle, Cawdor, Nairn IV12 5XS

- Suitable for players of all levels. Pony Club Polo Camp is open to any paid up Member of any Branch of the Pony Club. Membership will be verified with the branch secretaries before entries are accepted. Anyone wishing to join a branch in order to attend camp can get details of their local branch secretary.
- From 10am until 4pm daily.
- Entries will be taken on a first come, first served basis. Places are limited so book early to avoid disappointment. If the camp is oversubscribed, you may be put on a waiting list and will be offered a place should one become available. If you don't get a place then your money will be returned. Owing to the large commitment involved in organising the camp there can be no refunds for cancellations after the closing date for any reason.
- All children must be accompanied outside official camp hours by a responsible adult over 25 and no adult may be responsible for more than 5 children. The responsible adult must sign the entry form.
- Any children on the campsite at any time, other than those members on the course, are the sole responsibility of their parents and/or the appointed responsible adult at all times
- Members may bring their own ponies or ponies are available to hire (see contact details for Thom Bell below). A well-schooled Pony Club pony can

be taught to play polo very easily. The most important thing is that a beginner to polo rides a pony which they feel happy on and can control.

- Ponies need their normal tack. Boots or bandages (non stretchy type) and insulating tape should be brought. If worn, please bring a martingale. (running martingales can be altered to form standing ones (it is not practical to teach a pony to neck rein whilst wearing a running martingale).
- Parents organising hirelings are reminded that they will be subject to the same tack checks at camp as everyone else. Please ensure that stirrup irons are of suitable size for player's feet. Tack should be in good condition and be correctly fitted for the Pony.
- Parents should also note that the Pony Club has a responsibility for pony welfare. Any pony not sound or not up to adequate standard of fitness may not be ridden at camp.
- People welcome to camp on site but must be responsible for their own set up and clearing up You will need to bring whatever you need for camping including tents. Camping is self-catering.
- Ponies are fenced on site. Please bring your own electric fencing (and make sure it works!) Each paddock should be electrified and should not be within touching distance of other ponies.
- In order to comply with Pony Club regulations, the Polo course runs from 10.00am until approximately 4.00pm. After that time, responsibility for the residential part of the camp falls to the adults in charge of their designated children.
- Please note that there are loo facilities on site but no showers.
- Entry Free :£50 per day
